New in 2020

- The 2020 delinquent tax buyout was about 19,000 more than 2019 totals. This small increase means that most taxpayers were able to pay their property taxes on time even with the shut down and high unemployment rates.
- In 2020 the foreclosure process was adjusted and extended over time by multiple executive orders. While working remotely and with limited physical interaction, our staff worked with taxpayers to ensure that all who could, were able to pay their property taxes by the amended deadlines. We worked with property owners to ensure that all taxpayers that requested more time to pay due to their income being affected by COVID were granted extensions.
- In 2019 the County was selected by the State of Michigan to be audited by Treasury personnel for the next 3 years. 2020 was the second year of our PRE audit by the State. The State issued 15 PRE denials in 2020, which were processed by our office, this was a decline from 2019 which saw 184 denials. PRE interest retained by the County due to the denials dropped by 43% over 2019 as a result of the lesser number of denials issued by the State.
- The cost of our BS&A delinquent and tax software was paid by the Foreclosure Fund again in 2020 to help the General Fund budget.

COLLECTION OF MONEY BY TREASURER

- The County Treasurer's Office is the depository for all county funds in accordance with Act No. 40, Public Acts of Michigan 1932.
- It is the responsibility of the Treasurer's Office to receipt all money coming into the County. We maintain and reconcile over 50 bank accounts to properly track and account for these funds.
- Functions associated with this procedure include receipting invoice payments processed through the mail, counting and receipting department money, verifying distribution line items, posting to general ledger and receipting all monies received as EFT's and credit card distributions through our bank accounts.

Below is a graph showing the cash flow throughout 2020.

We paid out 5.9 million towards MERS retirement debt in 2020 and made an additional 1.1 million dollar General Fund contribution increasing our payment to 7 million in 2020.

DELINQUENT TAX

It is the responsibility of the County Treasurer to collect delinquent real property taxes. Functions associated with delinquent taxes include receipting payments, processing adjustments to prior year tax rolls (for up to 20 yrs.), and processing bankruptcy claims, along with being the Foreclosing Governmental Unit.

Beginning March 1st of each year the County Treasurer “purchases” delinquent real property taxes from the local units utilizing the cash in the delinquent tax revolving fund. We collect payments on the delinquent parcels for a period of not less than 24 months. During that time we follow an extensive State mandated notification process which includes regular postal mail, certified mail, personal service (visit/hand deliver) to the property, and publication in the local newspaper. We file a petition for foreclosure with the 13th Circuit Court. If payment is not received by the 3rd year of assessment we foreclose on the parcel and attempt to sell the parcel at auction. Prior to the auction, per Public Act 123 of 1999, the State is granted the right of first refusal to purchase any foreclosed parcels, local units and County Land Bank have a right of refusal, after the State, for any parcels in their jurisdiction.

The performance measurements for delinquent tax administration are designed to: increase efficiencies to be better able to manage additional workload without staff additions, to reduce unit costs in managing forfeitures and foreclosures, and to institute foreclosure prevention programs. One of the prevention methods provided by the Board is a Hardship Extension, which gives those taxpayers that have had an unusual circumstance in their life, time to set up a payment plan to keep from losing their property. It was used to protect 27 properties from foreclosure in 2020. In addition to the Hardship Extension, we directed at risk taxpayers to the MSHDA Step Forward Program and NMCAA for help in providing assistance with delinquent taxes. In addition to these programs, we provide taxpayers with a variety of payment options: cash, check, credit/debit card, electronic funds transfer, and an ACH payment option, which provides the taxpayer the ability to make weekly or monthly payments.

Personal Visits

Our office performed PA 123 inspections on 210 parcels in September. This physical site visit to each parcel is required to provide parcel description information to Title Check, LLC for future potential foreclosure. Parcels that were found vacant/abandoned or unoccupied at time of visit required posting of property in a visible area. If occupant was present, we advised the occupants of their rights and the foreclosure process. We had many conversations with Taxpayers, explaining the tax law, due dates and opportunity for assistance with delinquent taxes.

PROPERTY TAX FORECLOSURE TIMELINE

Property tax law has changed extending our foreclosure process an extra year to allow time for previous interest holders to claim excess proceeds. The updated property tax timeline is below:

March 1, 2020

Unpaid 2019 property taxes are forwarded to County Treasurer for collection. County Treasurer adds a 4% administration fee and 1% interest per month.

October 1, 2020

County Treasurer adds \$15 fee to each parcel for the pre-forfeiture fee.

March 1, 2021

Property is forfeited to County Treasurer. County Treasurer adds a \$235 title search and recording fee. Interest increases from 1% to 1.5% per month, retroactive to the date the taxes became delinquent.

February 2022

Circuit Court enters a Judgment of Foreclosure. From the date of this judgment, property owners have until March 31, 2022 to pay the taxes to avoid foreclosure.

March 31 2022 @ 5:00pm

Final Foreclosure date without right to redeem (Post marks not accepted)

April 1, 2022

Clear title to the property passes to the County.

April 1, 2022-July 1, 2022

Following foreclosure, former interested holders have until July 1, 2022 to file with the County Treasurer a "Notice of Intention to Claim Interest in Foreclosure Sales Proceeds" from the sale of property at public auction.

July 1, 2022, November 30, 2022

Property is sold at public auction.

December 1, 2022- January 31, 2023

After auctions take place, a "Certified Proceeds Notice" is sent out to each Claimant. This notice identifies the amount of remaining proceeds available, if any, along with information about other potential claimants.

February 1, 2023- May 15, 2023

Claimants may file a motion with the Circuit Court seeking to recover their share of any remaining proceeds. Claimant must file motion during this window in order to establish their claim to any remaining proceeds.

June 1, 2023- December 31, 2023

Once Claimant files a motion, the Court will then set a hearing date on each Claimant's motion. At that hearing, the court will allocate the available remaining proceeds among the Claimants and issue an order disbursing those proceeds to applicable parties.

Within 21 days of the Court's order, the County Treasurer will disburse the remaining proceed amounts ordered by the court to the applicable Claimants.

COUNTY TAX MILLAGES

Grand Traverse County's L-4029 authorizes the millages the County will assess on property within Grand Traverse County for the tax year. Millages are voted on by the voters and assessed for a set period of time based on the ballot language of the millage. Below are some historical values that show the tax millages assessed and the corresponding tax dollars that were collected as a result of that millage. A portion of collected tax revenue can be diverted by approved capture. Some tax revenue is captured by entities like the Downtown Development Authority (DDA), Tax Increment Finance Authority (TIF), Brownfield or Land Bank. This amount is identified as the captured amount in the numbers presented below.

DOG AND KENNEL LICENSE PROGRAM

The County Treasurer's Office manages the dog and kennel licensing revenue per state statute, Act 339 of 1919. Per Act 339 it shall be unlawful for any person to own any dog 6 months old or over, unless the dog is licensed as hereinafter provided. A County dog license provides ownership information, verifies the dog is currently vaccinated for rabies, and is in compliance with State Law. In 2017 dog license fees increased, this rate increase has provided additional revenue to support the Animal Control Program in Grand Traverse County.

2020 Rates	Spayed/Neutered	Intact
Puppy 8 mo. old and younger	\$ 8.00	\$ 8.00
1 year	\$ 15.00	\$ 30.00
3 year	\$ 30.00	\$ 60.00

We are hoping to switch to a new permit program in 2021 for better tracking and reporting capabilities for dog licenses. With the change to .gov on our County website we are now unable to provide an online dog license lookup on our website to help reunite lost dogs with their owners. We hope to reinstate this option once up and running with a new permit software.

Revenue Year	No. of Licenses	Dog Licenses	Kennel Licenses
2013	4615	\$ 75,815.00	\$ 350.00
2014	4811	\$ 80,665.00	\$ 320.00
2015	4580	\$ 78,980.00	\$ 280.00
2016	4519	\$ 79,460.00	\$ 255.00
2017	4803	\$ 118,136.00	\$ 235.00
2018	5110	\$ 125,918.00	\$ 210.00
2019	5030	\$ 124,785.00	\$ 215.00
2020	4958	\$ 125,237.00	\$ 210.00

Our office sells dog licenses year round. We also partner with most of the local Veterinarian offices to sell our licenses as well. This creates an easy avenue for citizens to purchase a dog license at the same time they are vaccinating their dog for rabies. Veterinarians provide monthly sales details to our office which we audit, enter into AS400, and send out official receipts to citizens detailing the license information as mandated by State law. Veterinarians who partner with the County to sell licenses on our behalf receive a commission based on the number/type of licenses sold. In 2020

our licensing partners sold/issued 82% of our total license sales.

Tax certification requests can be submitted in person or by electronic filing.

A tax search is a written tax status verification from the Grand Traverse County Treasurer's Office. The tax search requests are received by mail, FAX, and email. We offer delinquent tax look up online where owners can research their own properties for free or a \$2.00 fee for properties other than their own. A public terminal is located in the Governmental Center for the public to do their own property tax search free of charge.

In 2021 we have contracted with Graphic Sciences to image historical tax records that are currently located in the basement of the Governmental Center. Once completed, they will be posted on our website free of charge. Hopefully, this will reduce the need to come in and search through old records.

PASSPORT PROCESSING

The County Treasurer's Office is a certified US Department of State Acceptance Facility providing passport processing services Monday thru Thursday 8:30am—4:00pm. The office accepts and processes new applications which requires review of applications and required documentation (identity, citizenship, and parental relationship for applicants under the age of 16) for completeness and accuracy. Once reviewed, staff fully executes and submits the application according to US Department of State guidelines. We also provide reviews of renewal applications free of charge. An annual re-certification process is required for all staff members by the US Department of State to keep up to date on changing guidelines and processing effectiveness.

Year	Revenue	Applications Processed
2015	\$ 41,168	773
2016	\$ 52,400	1,999
2017	\$ 54,625	2,191
2018	\$ 52,950	1,671
2019	\$ 60,165	1,723
2020	\$ 28,980	826

In April 2018 The U.S. Department of State increased the processing fee charged, and retained by our office, from \$25.00 to \$35.00 per application.

The temporary closure of the Governmental Center and the limited international travel in 2020 due to the COVID-19 pandemic severely effected our passport revenue. We are hopeful to get back to normal in 2021.

LIBRARY PENAL FINES

The Michigan Constitution of 1963 requires penalties collected for violations of State penal law be divided by court costs, statutory fees, and penal fines. Fines are deposited into a library fund to support public libraries as required by Public Act 59 of 1964. The Michigan Department of Education sends a listing of eligible libraries and their associated service population, according to the 2010 census or subsequent special federal census, to the Treasurer's Office in July each year. The County Treasurer is required to pay local libraries their share of the total collected funds and interest by August 1st.

Library	Population Served	Percentage	2020 Amount
Fife Lake Public Library	2,791	2.7635%	\$ 5,398.08
Interlochen Public Library	5,784	5.7271%	\$ 11,186.84
Peninsula Community Library	5,433	5.3795%	\$ 10,507.97
Traverse Area District Library	86,986	86.1299%	\$ 168,239.76
Totals	100,994	100.0000%	\$ 195,332.66

BROWNFIELDS

Funds captured in a Brownfield will only be on specific parcels identified in the Brownfield plan and has a limited timeframe for capture not to exceed 30 years. In addition to local tax capture a Brownfield usually has the added value of **State Tax Capture**. This means that the County gets to keep State funds in the community to help clean up any environmental issues that were found during a project. The best example of this is the cyanide plume that was remediated at the Hotel Indigo. The cost to clean the cyanide from the soil was great, but held a greater benefit to the area in keeping the plume from traveling into West Bay.

The remediation of old buildings, like the Commons, or underdeveloped property with environmental issues, such as Rivers Edge will also help the area develop and grow.

Below is a map of current Brownfield plans in Traverse City and their expected plan end dates. In addition to the plans in the City, we also have Brownfields in Long Lake, Garfield and Blair townships.
